Dual registration: a ‘recipe for fraud’?

Some voters on rolls at more than one site

By Max Fernandez

Alison Anderson can't bear
vote Nov. 2 at Peoria-Wallace
High School in Peoria Heights,
even though she
is registered to vote in East St. Louis.

"I don't vote in East St.
Los," she said. "I don't think that it would
advantage me or anybody.
"

She is among 692 men
and women who are doubly registered to
vote in East St. Louis and elsewhere in St. Clair Co.
or in two different precincts in East St. Louis,
according to a recent report by the Belleville News-
Democrat.

The report said that 15,000
men and women are on the rolls at
more than one site.

November and December are the months for
registering to vote. The deadline to register
is the Tuesday before the first day of the
december month.

November is the month

This month he began investigating how the ESL language class in City Hall in St. Louis is going.

Three Democratic precinct committeemen at East St. Louis, including one who had been incarcerated for a number of years, told him they had been replaced by new committeemen who were not supportive of the city. They also alleged a number of other Democratic precinct committeemen have been replaced with new ones.

My initial impression was that there was a pattern of replacing committeemen who were not supportive of the city with new committeemen who were.

Several Democratic precinct committeemen at East St. Louis said they had been replaced by new committeemen who were not supportive of the city.

I do not feel that there is anything of great significance. There were no significant changes in the number of committeemen who were replaced.
